

CONSTANT VOLTAGE 100 WATT DIMMABLE DRIVER

Led driver to run 100 watts of led strip

Output 12 volts DC

Output 8.3 amps

Input 100-265 volt AC

Ac Current 0.559A

Short Circuit /Over voltage + cuurent protection

Dimensions 230mm x 68mm x 44mm

Compliance to worldwide safety + EMC regulations

3 year warranty

Three in one dimming function 0-10vdc or PWM or resistance

Dimmable range 0-100% with Leading edge Dimmer

Supplier T-Lighting

Cat Number TLD100-12V1-10
